

4 days later.

Friday 25th sleepover day!!

Mum has just come to pick us up from school. Jamie is talking to Ben and Alex urr he is sooo annoying!!

Same day at home

At the moment we are all in my room. We are just talking; it is about 8.30 so to my calculations we have 30 minutes left to be loud!!! I will write later but now I have to start my plan!!!

Few hours later - 1.23 am

I told you I would write didn't I! Anyway the plan went great! I will tell you how it went...

So it was 9 o'clock and we all had to settle down because Jamie was in bed. And I said lets play spin the magic bottle. So we played that and it ended up on me so they dared me to do some stupid dance I did it but not very well because I tripped and landed on Alex. OMG it was hilarious!!!

Then it landed on Alex and they dared him to kiss me under the cover but when we were under there I told him my plan and he thought it was a great idea!!! Alex and Ben are really good mates now! I am such a matchmaker! (But obviously their not going out, that would just be weird.

Then I landed on grace and we dared her to kiss Ben on the cheek, well I didn't Alex did technically but I sort of went along with it!! Oops! Grace burned scarlet red but she did it anyway and Ben smiled after. Result!!! And then it landed on me again but everyone said Ben should have a turn because I had already had a go. I dared Ben to get down on his knee and say grace will you marry me I love you so much!!! It was so funny, and then I said I needed the toilet and I gave Alex an eyeball stare and he said he needed some coke. (But that was a bit stupid because I had asked for coke and mum said we haven't got any. Lol! Alex makes me laugh !!!)

So we went out but then me and Alex made pretend noise of going downstairs. (But that was

kind of stupid too as the bathroom is upstairs. But oh well!!) Then we tiptoed right up to the door as silent as mice. We listened, and for the first 2 minuets they were having a very childish argument about whether the really nice biscuits were called. (I don't know how I put up with these people their mental!!) Ben thought they we called orr-re-ohs but grace thought they were pronounced o-ree-ohs!!! Anyway back to the interesting stuff.....We heard Ben asking grace if

The next morning... eating toast and drinking orange juice!

Sorry about last night I just fell asleep, anyway let me tell you what Ben was asking Grace. He wanted to know if he could go out with her!!!! She said yes, OBVIOUSLY!!! So now we can all go to the diner on a double date!! Gotta go Alex and Ben AND Grace are looking in my journal, nosy things!!

Bye xxx

3 weeks later....

Sorry about not writing in ages, I lost my journal but I found it under Jamie's mattress. **Dun-dun-durrrrrr!** Anyway I have loads to tell you! Guess what Lily's had the baby!!! It was a boy and they have named him... George! So I get to see George every single week yipeeeeeeee!!! He is so cute, he's got brown hair and lovely eyes and SORRY. I am going on about the baby to much I MUST tell you about Ben and Grace.

Well, we went to the Diner for the Double Date and it went sooo well. I wore my sparkly top and my white cut offs and Grace wore this Grown up dress from this posh shop called Diamonds to Die For. It was so funny because Ben ordered 4 frothy Chothys (really nice hot chocolates, it turns out that Ben is really rich how cool is that!!) and when Ben tuck a gulp from it, he got like a froth mustash, It was really funny!!

And I gotta tell you about my 13th birthday!!

It was 2 days ago and invited the whole class and some of my cousins (but not Jamie! Yayyyyyy!!!!) To this rave disco which is when everyone dresses up in bright clothes. It was really good! AND SO COOL.
